There are 20 Porter's wearing an artistic coat. Each artistic Porter coat (or base) is hiding a sequential year (#) that coincides with Florence Events Center 20th anniversary. Your task is to find the year (#) on each of the 20 Porter's (Not date with artist signature, 2016). When looking for Porter's years, you will see they are all different, from large and stylistic, to fine as a hair. You might want more than one set of eyes looking for the year.
